69% of Registered Voters Support the Child Tax Credit

Polling from Navigator, developed in partnership with Economic Security Project Action, shows clear and overwhelming support for an expanded Child Tax Credit (CTC). Poll questions below:

As you may know, there is a bipartisan proposal in Congress to temporarily expand and improve the Child Tax Credit to refund poor, working, and middle-class families more money for each child under age 17. It is paid for by ending some COVID-era relief programs for businesses. Would you support or oppose this agreement?
