The cost of living is way too high. As [nearly half](#) of Americans struggle to afford groceries, housing, and utilities, they're being squeezed even more by Republican leaders who've gutted healthcare coverage and raised costs. Instead of holding big corporations and ultra-rich CEOs accountable for overcharging Americans, Republicans gave them a giant tax cut and paid for it with our healthcare.

We are in a healthcare emergency that Republicans created. Trump and Congressional Republicans slashed over [\\$1 trillion](#) from Medicaid and cut healthcare tax credits that lower costs for millions of Americans. Between gutting Medicaid and letting the ACA tax credits expire, Republicans chose to [terminate coverage](#) for 15 million people and [more than double healthcare premiums](#) for 22 million, just to pay for massive tax cuts for the rich CEOs of insurance companies ripping us all off. That is a healthcare heist.

Join the Week of Action

We need better, more affordable healthcare, not less. Trump and Congressional Republicans voted to send our healthcare costs skyrocketing just to pay for tax cuts for billionaires. Join the week of action and help hold them accountable.

Core tactics include actions at offices of members of Congress and sharing stories of impacted people through media events. **Create or find an event on [Mobilize](#), and read our fact sheet [HERE](#).**

This campaign is part of ESP Action's broader Affordability Agenda — fighting for an economy where everyone can afford their basic needs, including healthcare. We're building on the momentum from our tax fight to demand Congress put working families before billionaire tax cuts.
